

PROJECT: YEARBOOK COVER

Meets Florida Curriculum Criteria(s):01.0; 04.0; 06.0; 09.0

TASK: Use Adobe InDesign to create a Yearbook Cover concept.

EXAMPLES: [Cover Gallery 1](#) [Cover Gallery 2](#)

YOU WILL NEED TO:

- ◆ Research Yearbook covers. What makes them memorable. Think about your demographic. What would appeal to them?
- ◆ Create a minimum of 5 color thumbnail ideas.
- ◆ **Create a working final in InDesign. Artwork can be done in Illustrator and Photoshop then imported.**

DESIGN SPECIFICS & TURNING IN YOUR WORK:

- ◆ Size is 9"w x 12" h.
- ◆ Adhere to the color schemes and themes of the school
- ◆ Save your original in an InDesign file in your folder.
- ◆ Export a version as a .PDF

GRADING:

- 3 points for completing the project
- Credit for following specifics above
- Credit for level of effort and creativity involved
- Credit for meeting deadline. Watch website for due date.

OUTCOME:

Students create unique artwork for their portfolio, manipulate in cross platform software, and use inspiration drawn from their own school to leave a lasting gift for hundreds of students.
